

CONNECTING SOUTH MAROUBRA BEACH TO MALABAR BEACH COASTAL WALKWAY

HAVE YOUR SAY

Randwick City Council and the National Parks and Wildlife Service (NPWS) are proposing to extend the Coastal Walkway from South Maroubra Beach to Malabar Beach.

The proposed walkway will offer stunning ocean views across Malabar Headland to Maroubra Bay and will be the first public access to the newly declared Malabar Headland National Park in 150 years.

The 1km walking track has been designed to minimise impact to the natural environment and provide a direct connection through the National Park.

Council and NPWS are also developing longer term plans for

a connecting walkway around the Malabar Headland coastline once issues with risk and safety are resolved.

We want to know what you think about the walkway!

HAVE YOUR SAY:

- visit the website yoursayrandwick.com.au/malabarwalkway
- view the plans at Council's Administration Building or libraries at Randwick, Maroubra or Malabar
- talk to staff at our Drop-In Session on **Saturday 19 March** from **9-10am**, South Maroubra Surf Life Saving Club

Consultation closes 31 March 2016.

South Maroubra Beach to Malabar Beach
MALABAR HEADLAND COASTAL WALK

South Maroubra Beach to Malabar Beach MALABAR HEADLAND COASTAL WALK

Steel access stairs providing safe access to the top of the sandstone escarpment with spectacular views.

The highest point along the Coastal Walk offering breathtaking 360° views over Malabar Headland and back to Botany Bay from spectacular natural sandstone.

Minor access stairs and stepped boardwalks provide safe access over rock ledges and steep grade changes.
