Suburb in focus

YOUR SUBURB YOUR SAY

Matraville & Chifley

The draft Budget and Operational Plan outlines Randwick City Council's proposed activities and expenditure and fees and charges for the next financial year. Our budget has a strong focus on technology and the environment across the City. Here's how the Budget will affect your suburb.

5km² Size

South Council Ward

13,037 Population

4,967 Dwellings

166m² New and upgraded footpaths

691m Resheeted road

Highlights for this area

- Remediation, drainage and re-grading of Purcell Park in Matraville
- Baseball field upgrade, Chifley Sports Reserve

City-wide highlights

- Installation of smart tech at Coogee Beach such as smart parking sensors, expanded CCTV, real-time transport information, as well as sensors on BBQs, amenity blocks and bins to improve service response time
- Gross Pollutant Trap (GPT) rehabilitation program to improve effectiveness
- Stormwater drain re-lining program
- New amenities, storage facility and carpark at South Maroubra Beach Surf Club
- Concept planning for the Coastal walkway extension and amenities near Malabar ocean pool

The draft 2019-20 budget is the second year of a 3-year Our Community our Future Special Rate Variation (SRV) which is increasing Council's total rate income by 5.52%pa. This program was consulted with the community in late 2017 / early 2018 and approved by IPART. **For the average ratepayer paying about $1,281 a year, this would be an increase of $67.** In addition, Council has also applied to IPART to continue the Environmental Levy for a further five years.

The cost of collecting your rubbish, recycling, green waste and providing four clean-up services per household per year will increase by 3.2%, up to $586 per year.
