

6. URGENT MATTERS OR MATTERS FOR INVESTIGATION**6.1 Epsom Road, Zetland**
(Advice from RTA)**(H)**

Mr La Rue (RTA) tabled a plan of a proposal, for the intersection of Epsom Road and Link Road, which the Authority is placing before Sydney City Council's Traffic Committee. The proposal would require that all eastbound motorists upon Epsom Road, must turn left at Link Road, apart from Buses and Cyclists. This is achieved by way of linemarking and the creation of a Bus Lane. A scanned copy of the proposal is attached.

Mr Lehmann stated that this proposal aligned with Council's position on Lenthall Street traffic volume concerns.

Traffic Committee Recommendation

That the information be received.
