To The Residents of KN2

KENSINGTON NSW 2033

Dear Residents,

Resident parking scheme in your area

Following a number of enquiries from local residents, Randwick City Council is investigating the parking situation in your area. An important part of the investigation is for us to learn about the opinions of local residents through an on-line survey process.

If most respondents in an area feel that changes to parking arrangements would help them, we may introduce new time-limited parking zones as part of the resident parking scheme. Eligible residents would then be able to purchase resident parking permits from Council which would exempt their vehicles from the new time limits.

We invite you to complete our community survey by visiting the resident parking scheme page at this website:

www.yoursayrandwick.com.au

(Or, you could simply search for **Your Say Randwick**)

This website also includes a 'Frequently Asked Questions' fact sheet, which provides detailed information about the resident parking scheme.

Your responses are extremely important and will ensure that we provide the best outcome for all. Whether you are in favour of the resident parking scheme applying to your street or not, please complete the online survey to ensure that we know your views.

The responses we receive from local residents will strongly guide Council's decisions regarding the resident parking scheme in your area.

The survey closes on Sunday 16 December 2018.

If you are unable to access the survey online, please contact Council's Transport Engineer, Ms Dilruba Akhter on 9093 6927 and she will provide guidance for you.

Yours sincerely,

Tony Lehmann
Manager Integrated Transport
