Dear Ms Keneally

Thank you for your letter of 6 November, 2006, regarding Lenthall Street and the formation of a working party to examine the options for the possible closure or partial closure of the street.

I wish to advise that within three to four weeks, Council's Manager Traffic Management, Tony Lehmann, will be in contact to finalise the working party details.

Thank you for your continued interest.

Yours faithfully

Ray Brownlee
General Manager
