

Randwick City Council draft
Operational Plan and Budget 2018-19

Clovelly

The draft Budget and Operational Plan outlines Randwick City Council's proposed activities and expenditure and fees and charges for the next financial year. It proposes continuing Council's existing high quality services and facilities and delivering a number of new projects across the City.

Clovelly budget highlights

- Clovelly Road Streetscape Upgrade design works
- Drainage investigation, Burnie Lane
- Fred Hollows Reserve / Alison Rd drainage works
- Improved disability access to Clovelly Surf Club

Council Ward

Council has applied to the Independent Pricing & Regulatory Tribunal for a Special Rate Variation of 7.64% to Council's total rate base for 2018-19. If approved, this would result in residential rates increasing by **5.52% in 2018-19** which for the average ratepayer paying about \$1,223 a year is an increase of \$64.

The cost of collecting your rubbish, recycling, green waste and providing four clean-up services per household per year will increase by **\$14 to \$568 per year**.
