

Minister for the Olympics
and Minister for Roads

17 JUL 1996

Cr J Procopiadis
Acting Mayor
Randwick City Council
DX 4121
MAROUBRA

Dear Mr Procopiadis

I refer to your recent letter to the Hon Michael Knight MP, Minister for Roads, expressing concern with the traffic impact that housing developments within the adjoining Council areas are having on Randwick Council's road system. I note your concern has arisen from South Sydney Council's action in closing part of Dalmeny Avenue to through traffic at its northern alignment with Kimberley Grove and the effect this will have on Randwick Council's road network as a result of future traffic growth in the immediate area. Mr Knight has asked me to reply on his behalf.

As you will appreciate, Dalmeny Avenue is a local street under the care and control of South Sydney Council and any proposal for the re-opening of Dalmeny Avenue is essentially, a matter for that Council's consideration.

In the circumstances, I can only suggest that Randwick City Council continues to pursue the matter with South Sydney Council in an endeavour to resolve this issue.

Yours sincerely
