

Kokoda Memorial Park playground upgrade CONSULTATION OUTCOMES

**YOUR SAY
RANDWICK**

ABOUT THE CONSULTATION

Randwick City Council is upgrading the playground at Kokoda Memorial Park, Kensington. In June and July 2019 we asked the community to tell us how the new playground should be designed.

More than 40 playgrounds were designed by local kids aged 1 to 11 years old, some with a little help from mum and dad.

WHAT THE KIDS TOLD US

Kids want a playground where they can:

**Jump Swing
Climb Slide**

WHAT THE GROWN-UPS TOLD US

“Add a bigger swing, slide and climbing area for older children”

“It would be great to see equipment for kids 0 through to 12 years old”

“This is a long awaited upgrade. Having equipment that is suitable for all ages is a must”

WHAT'S NEXT?

Your feedback will be used to help develop concept plans for the playground upgrade. The proposed plans will go on public exhibition later in 2019.

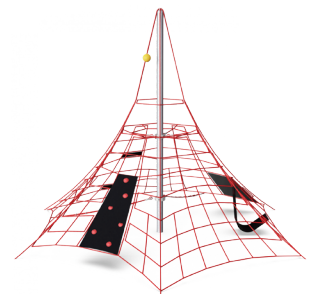

Their favourite play equipment is:

✓ Forest giraffe

✓ Tower slide

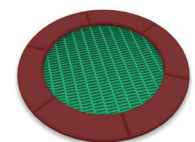

✓ Emerald space net

✓ Combo nest swing

✓ Tower and climber

✓ Trampoline
