Att: Mr Tony Lehmann

Dear Mr Brownlee,

I refer to your letter dated 3 April 2008 requesting advice on the progress of the Green Square Transport Management Accessibility Plan (TMAP).

The Ministry of Transport is coordinating the preparation of a TMAP for the Green Square Town Centre and broader renewal area (study area plan attached). The TMAP is being prepared as a joint project between the City of Sydney, Landcom and the NSW Ministry of Transport.

The preliminary review and analysis phase of the TMAP is now complete and presently under review by the Study Reference Group. A final draft report will be presented to the Green Square Coordination Group and the City of Sydney Planning Project Committee in July 2008.

The Ministry would be pleased to brief senior officers of Council regarding the study process and likely relevant outcomes following consideration by the Green Square Coordination Group and the City of Sydney.

To arrange a briefing on the Green Square TMAP, please contact David Hartmann, Senior Transport Planner, on 9268 2228 or email david.hartmann@transport.nsw.gov.au.

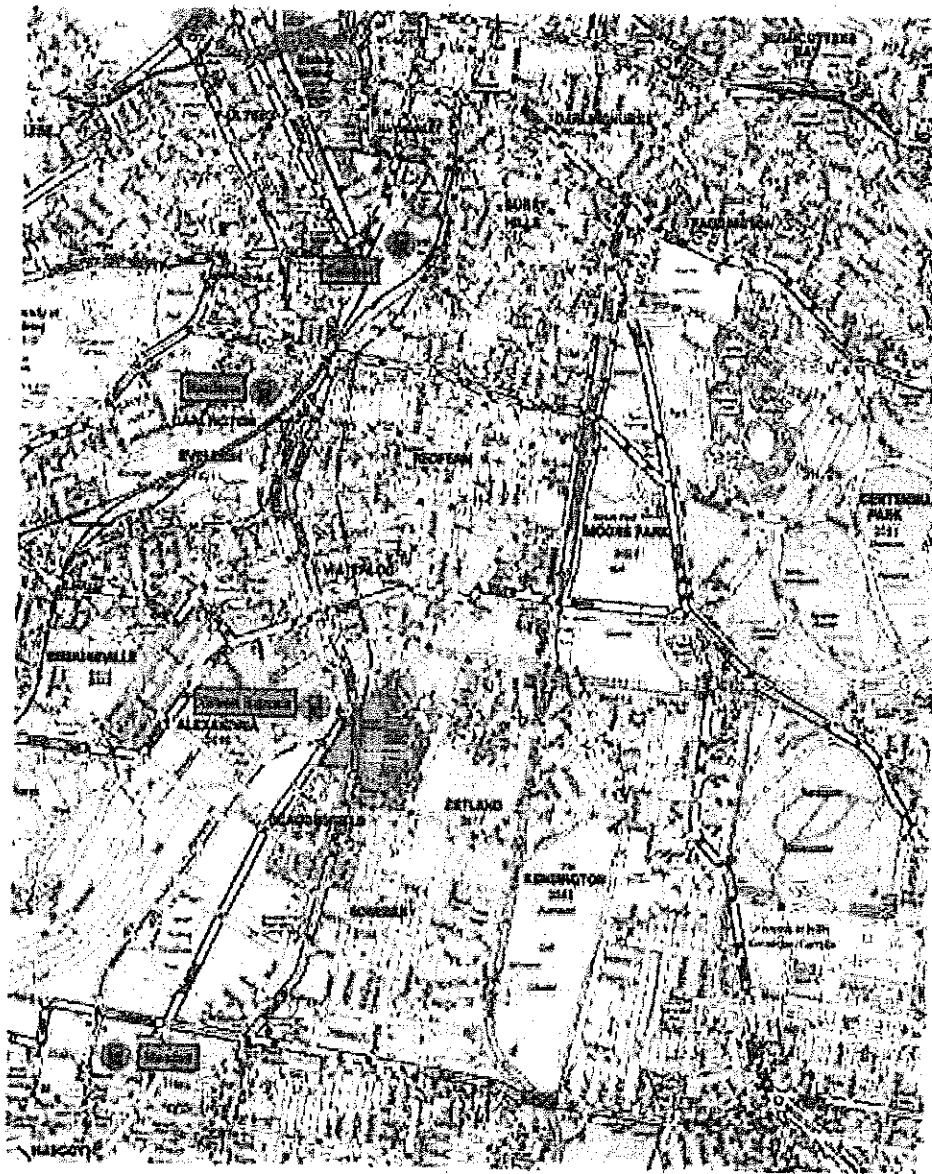

Yours sincerely

**Brendan Bruce
Director, Transport Planning**
