Bundock Park playground upgrade
CONSULTATION OUTCOMES

YOUR SAY RANDWICK

ABOUT THE CONSULTATION

Randwick City Council is upgrading the playground at Bundock Park on Clovelly Beach with new play equipment, landscaping and shade. We asked the community to tell us how the new playground should be designed.

Kids, mums, dads and grandparents joined in the fun and helped us design playgrounds and shared ideas about what would make playing at the beach even more enjoyable!

WHAT THE KIDS TOLD US

Kids want a playground where they can:

Swing Climb Slide

WHAT THE GROWN-UPS TOLD US

"We use the playground all the time however we would love for it to be under shade."

"Wooden play equipment and some shade overhead."

"A nature playground would be great. Equipment made of wood... shade would be amazing."

"Use lots of native planting for separation from the coastal path."

Their favourite play equipment is:

✔ Combi swings

✔ Emerald space net

✔ The witch tower

WHAT'S NEXT?

Your feedback will be used to help develop concept plans for the playground upgrade. The proposed plans will go on public exhibition in mid- 2020.
