Manager Infrastructure Development

Dear Mr. Culshaw

ROADS BOOST FOR SOUTH SYDNEY

Reference is made to my letter dated 17 November, 2003, (copy attached) in regard to the State Government's ten year \$80 million program to upgrade the road network and key intersections along South Dowling Street and Southern Cross Drive.

I am anxious to provide Council with an update and would therefore appreciate your advice on the progress of your investigations and finalisation of design proposals that are included in the program.

Yours faithfully

Gordon Messiter
GENERAL MANAGER
